

SUPPORT GROWING FOR U.S. PRINCIPLES

INDICATIONS POINT TO SUCCESS DESPITE THE OBJECTIONS OF JAPAN

America Seems to Be the Guiding Spirit in the Arms Conference as Well as the Far Eastern Situation—Naval Experts Adjourn Without Action to Meet Again Today

WASHINGTON, Nov. 29.—As the arms conference approaches the season of its momentous decisions there are indications of constantly growing support for the principles suggested at the outset by the American government. Behind the "5-5-3" ratio of naval strength the American delegates are mustering increasing pressure with every confidence of success despite the effort of Japan to secure a modification in her favor. Similar in the far east negotiations the American four points are becoming more and more a real character of rights for China, guiding the policy of the conference as it begins discussion of the presence of foreign troops on Chinese soil. The American determination to stand solidly behind the "5-5-3" naval ratio was reiterated with even greater emphasis today. The American position is that if national needs are to be the basis of the discussions any change in the ratio probably would be adverse to Japan, rather than in her favor.

STILL HOPE TO AVERT BREAK IN NEGOTIATIONS

Lloyd George Summons Sinn Fein Delegates Again

(By The Associated Press) LONDON, Nov. 29.—An anxious day in the negotiations designed for the pacification of Ireland ended tonight with the hope that a complete collapse of the parleys might still be averted. Sir James Craig, premier of Ulster, as was expected, declared before the north parliament in Belfast that Ulster had absolutely refused to accept an all-Ireland parliament, demanded as a solution by the Sinn Fein delegation. But he announced Ulster's willingness to discuss other proposals for an Irish settlement if they were submitted by next Tuesday. Premier Lloyd George immediately summoned the Sinn Fein delegates to consult with him and his ministers and submit to them new proposals, which if they meet with the approval of the Sinn Fein, will be presented to the Ulster officials before next Tuesday. The nature of the alternative proposals will not be divulged pending their consideration by the Sinn Fein. The situation is still very critical, owing to the double deadlock. The negotiations have not been broken off and may be continued on a new basis. Ramon De Valera has left Dublin for a tour of his constituencies.

CROWD ATTEMPTS TO SEIZE ALLEGED SLAYER

CHICAGO, Ill., Nov. 29.—A crowd of several hundred persons today attempted to seize Nicolas Citro, charged with the killing of John Petrone on Sunday night when Citro was taken to an undertaking establishment for a coroner's inquest. The crowd, threatening to lynch Citro invaded the undertaker's room and succeeded in dragging him away from officers before police reserves arrived and rescued him. The inquest was transferred to a police station where a coroner's jury recommended that Citro be held to the grand jury on a charge of murder.

SOCIALISTS ASK RELEASE OF PRISONERS

Cleveland, Ohio, Nov. 29.—Immediate release of Eugene V. Debs and other alleged violators of the espionage act is asked in a telegram sent to President Harding today by the National Executive committee of the Socialist party at the closing session of its three days' meeting here.

BENTON CITIZENS WOULD BUY TENT FOR LIGHT PLANT

Lights Out of Commission Every Time it Rains

(By The Associated Press) BENTON, Ill., Nov. 29.—Declaring that every rain plunges the town into darkness by putting the electric light plant out of commission, citizens of Benton have circulated a petition to purchase a tent to cover the power plant so lights can be kept burning when it rains.

The petition in reality is a facetious protest against the service furnished by the light company and may be filed with the Illinois Commerce Commission with a formal complaint.

Circulated by the Commercial Club the petition was signed by more than 35 leading citizens, including bankers, lawyers, judges, editors, physicians, merchants, school teachers and county officials.

It follows: "We, the undersigned business men of the city of Benton, Franklin county, Illinois, hereby agree to give the amount necessary towards purchasing a huge piece of canvas or tent to place over the power plant of the Central Illinois Public Service Company's plant at Benton in order that the city may be lighted in their homes during rainy weather."

"When a cloud appears a mad rush follows for candles," said James M. Snyder, secretary of the Commercial Club. "A rain of any kind puts out the lights."

ILLINOIS LEAGUE OF WOMEN VOTERS CONSIDERS WAGES

Consider Phases of Woman in Industrial Work

(By The Associated Press) CHICAGO, Nov. 29.—Recommendations to "women in industry" including some proposed prohibition measures governing the employment of women at night and for six weeks before and after child birth were made today at the first annual convention of the Illinois League of Women Voters.

The recommendations were made in the report of the program of work for standing committees. They were classified under the head of "industrial standards."

Some of these were: Establishment of a minimum wage commission and wages to be paid on basis of occupation and not sex.

Embodied in the report was the following opinion: "We affirm our belief in the right of the workers to bargain collectively thru trade unions and regard the organization of working women as especially important because of the peculiar handicaps from which they suffer in the labor market."

American government has added to it a voter who believes in a "stitch in time," Mrs. Maude Wood Park, of Washington, D. C., president of the National League of Women Voters declared here tonight at the annual banquet of the Illinois League.

GRAIN BROKERS ARE BANKRUPT

Fort Wayne, Ind., Nov. 29.—With liabilities estimated at \$600,000 and assets at \$200,000 the F. G. Savage company, stock and grain brokers filed petition in voluntary bankruptcy here this afternoon. Five other offices of the company are affected. They are located in Dayton and Canton, Ohio; Elvira, Ohio; Kokomo and Muncie, Ind.

BRIEFS

(By The Associated Press) SPRINGFIELD, Ill., Nov. 29.—Permission to construct three additional tracks at Eola, near Aurora and twenty additional tracks at Miles Post, 24.08 west of Eola, was asked of the Illinois Commerce commission by the Chicago Burlington & Quincy railroad today. The railroad also requests permission to enlarge the viaduct to accommodate the twenty additional tracks.

SPRINGFIELD, Ill., Nov. 29.—A requisition for the return to Chicago from New Orleans, La., of Major Summerford, alias Major General Summerford, who is charged with shooting Leona Manning of Chicago, January 1, 1921 was issued here today by Governor Small. The petition for a requisition was made by Jeanette Haynes, 3134 Giles avenue, Chicago. Leona Manning died January 29, following the shooting, the petition says.

SPRINGFIELD, Ill., Nov. 29.—Permission to operate a bus line in the city of Decatur, was asked of the Illinois Commerce Commission today by the Borden Bus Line, 1365 West Decatur street. A petition by the bus line is pending before the city council of Decatur.

NEW HAVEN, Conn., Nov. 29.—Two more persons who were burned in the fire which destroyed the Rialto theater Sunday night died today, making the actual death list six, the coroner having eliminated the name of Timothy Hanlon, as a victim of heart disease.

DIXON, Ill., Nov. 29.—Mrs. Charlotte L. Whippman, one of Illinois' oldest citizens, died at her home here this morning at the age of 103 years, 3 months and 4 days. She was born in Hanover, Germany, August 25, 1818, and is survived by four children, 16 grandchildren, 28 great grandchildren, and three great great grandchildren.

CINCINNATI, Nov. 29.—Four armed robbers late last night raided the residence of William Cooper Procter, president of the Procter and Gamble Co., in Glendale, a suburb of Cincinnati, forced the three members of the household, who were alone, to become prisoners in the cellar, and then ransacked the home, escaping with jewelry valued, Cincinnati police say, at more than 100,000.

PEORIA, Ill., Nov. 29.—The school board here today awarded contracts for construction of two new school buildings and for an addition to Manual Training High School, the cost of the three aggregating \$625,000.

GALESBURG, Ill., Nov. 29.—Mrs. Joe McCuskey, age 33, of Bushnell, Ill., who was shot yesterday afternoon by her husband at the home of a friend here where they were visiting may recover, hospital authorities said today. McCuskey killed himself after shooting his wife twice. The couple quarreled frequently over his drinking, Mrs. McCuskey said today, and she declares he was under the influence of liquor at the time the shooting took place.

OMAHA, Neb., Nov. 29.—Mrs. Mary E. Leslie of near Cumberland Iowa, who 18 months ago, at the age of nearly 50 eloped to Missouri, with her 50 year old stepson, William Leslie, and married him, is dead at their farm home near Cumberland. She left an estate of \$200,000 to her husband, stating in her will that he "has always been faithful to me and helped me accumulate my property."

LOS ANGELES, Nov. 29.—The fifth day of the trial of Arthur C. Ruch, charged with the murder of I. Belton Kennedy, found the legal battle for the completion of the jury still in progress. Attorneys for both prosecution and defense expressed the hope it would be completed today and the taking of testimony begun. Of the 11 jurors temporarily passed, ten are women.

WILL GATHER DATA ON MARKETING FACILITIES

WASHINGTON, Nov. 29.—Chairman Anderson of the joint congressional commission of agricultural inquiry announced tonight the appointment of 44 committees of shippers to assist in gathering data for the commission on marketing and transportation facilities of the country. The committees will work with the railway executive committees in securing the data.

Mr. Anderson instructed the committees to begin the assembling of the information at once and to have their report ready about January 1. These committees according to the chairman represent approximately 95 per cent of the country's tonnage.

ABANDONMENT COUNTER ATTACK IS FORECAST

Will Devote Testimony to Defending Child

(By The Associated Press) POUGHKEEPSIE, N. Y., Nov. 29.—Abandonment of the counter attack upon the conduct of James A. Stillman by Mrs. Ann P. Stillman in the divorce proceedings instituted by the New York banker was forecast tonight after adjournment of a one day hearing before Referee Daniel J. Gleason. Mrs. Stillman, it was said, probably would not call any more witnesses in support of charges that her husband was guilty of misconduct with Florence H. Leeds, former Broadway show girl. Future testimony, it was explained, would be devoted to defending Mrs. Stillman and the paternity of Baby Guy Stillman, whom Mr. Stillman seeks to have adjudged illegitimate.

Counsel for Mrs. Stillman announced several times that the banker would not contest evidence touching upon his own behavior.

Testimony at today's hearing was understood to have set forth that Mr. and Mrs. Stillman and two of their children stayed at a suite in the St. Regis Hotel, New York, for two weeks during February, 1918, nine months before the birth of Guy Stillman. It was said to have been brought out that Fred Beauvais, the Indian guide employed by the Stillmans and named co-respondent in the bankers' complaint was a guest at the hotel during that time. John F. Brennan, counsel for Mrs. Stillman and John E. Mack, guardian ad litem for Guy Stillman, will leave for Montreal tomorrow night it was said to prepare for taking testimony there regarding the relations of Mrs. Stillman and Beauvais at and near the Stillman summer camp at Three Rivers, Quebec.

DEFENSE PRESENTS REBUTTAL EVIDENCE IN ARBUCKLE CASE

Experts Will Report Examination of Bladder of Dead Actress

(By The Associated Press) SAN FRANCISCO, Cal., Nov. 29.—Prosecution rebuttal evidence occupied the entire day in trial today of Roscoe C. Arbuckle on a manslaughter charge in connection with the death of Miss Virginia Rappe. The prosecution announced at adjournment today that it would continue this character of evidence tomorrow, despite its earlier announcement that it would conclude finally today.

Milton T. U'ren, assistant district attorney said that the commission of three medical experts selected to examine the bladder of Miss Rappe would not report before Thursday. This commission will determine, if possible whether or not the organ was in a healthy condition before the fatal rupture, which the prosecution alleges Arbuckle caused by the application of external force during a party in rooms at the Hotel St. Francis.

Final adjournment came an hour earlier than usual because of the lack of witnesses. U'ren announced that certain "foreign" or out of town witnesses would be on hand tomorrow and that the prosecution's case would be closed after it had concluded their testimony.

The major portion of the prosecution's rebuttal evidence was introduced to contradict evidence that Miss Rappe had suffered for several years from bladder affection.

RECLUSE KILLS SELF WHEN FACING ARREST

CHAMPAIGN, Ill., Nov. 29.—True to his word, Harry Davis, about thirty years old, who has lived alone in a cave near the Champaign-Piatt county line for several years, today killed himself when he faced arrest. Recently farmers complained that food had been stolen from their homes and a warrant was issued for Davis, on complaint of Peter Primmer. Officials visited the dugout of the recluse, but when they approached to arrest him, he had already shot and upon investigation found Davis had killed himself. He is said to have relatives in Champaign county.

J. R. Buhl of Chicago, representing the Lee Tire Co., was a business caller at the Cherry Service station Tuesday.

CONCESSIONS WON BY CHINA IN CONFERENCE

Nine Powers Rule in Her Favor in Far East

(By The Associated Press) WASHINGTON, Nov. 29.—China won four concessions today in the conference of the nine powers, on questions affecting the Pacific and the Far East.

In conformity with the Root resolutions declaring for the territorial and administrative integrity of China the Pacific and Far Eastern committee adopted resolutions looking to abandonment of foreign courts in China. The resolutions drafted by the subcommittee, headed by Senator Lodge, provided for an international commission of jurists which is to report within a year whether the Chinese laws and court practices warranted abandonment of the foreign courts created under treaties granting extra territorial rights in China.

Immediately these resolutions were adopted the Chinese delegates pressed another of their ten points—that declaring for withdrawal of all foreign troops from Chinese soil, and also for abandonment of foreign telegraph, radio and police wire systems.

Dr. Sze, Chinese minister here and a delegate to the conference, presented detailed information regarding the number of troops and extent of foreign wire systems, in which the Japanese predominate and there was wide discussion of the questions by all the delegates behind closed doors. General admission it was said, was given to the principle of retirement of foreign troops and wire systems from China in conformity with the principles of the Root resolutions.

Qualifications were presented, however, by Japanese spokesmen who dealt with the necessity of policing railroads and telegraph lines. Discussions of the troops and wire questions are to continue tomorrow with prospects that a solution will be worked out by the delegates of the nine powers without reference of the details to a subcommittee.

Another Chinese question, that of tariff and other revenues, was taken up later in the day by a subcommittee headed by Senator Underwood of the American delegation. An initial meeting of the subcommittee lasting almost three hours was said to have developed a necessity for intensive study of Chinese finances, and the subcommittee adjourned without action until tomorrow afternoon.

Stress was laid by the Chinese delegates before the Far Eastern committee today on the question of foreign troops in China.

Prince Tokugawa of Japan told newspapermen later in the day that Japan "intends to abolish" the system under which Japanese troops are in China "as soon as possible."

This was taken to mean withdrawal of the troops would begin when a satisfactory formula toward the problem of China was worked out by the conference.

BERGDOLL BRINGS SUIT FOR PROPERTY

(By The Associated Press) WASHINGTON, Nov. 29.—Grover Cleveland Bergdoll convicted draft evader, thru his mother, Mrs. Emma C. Bergdoll of Philadelphia today filed suit in the supreme court of the District of Columbia for return of property valued at \$750,000 seized by the government. Thomas W. Miller, alien property custodian and Frank White treasurer of the United States were named as defendants.

The petition set forth that Bergdoll is a citizen of the United States and regards his stay in Germany as "temporary" and expects to return to this country. The suit was brought under a section of the trading with the enemy act which authorizes such actions of law.

MORE ADVANCES ARE ANNOUNCED

WASHINGTON, Nov. 29.—Approval of 71 advances for agricultural and livestock purposes aggregating \$2,272,000 was announced today by the war finance corporation. The loans are distributed as follows: Nebraska, \$39,000; Colorado, \$124,000; Montana, \$249,000; Illinois, \$60,000; Indiana, \$15,000; Iowa, \$483,000; Kansas, \$61,000; Minnesota, \$308,000; North Dakota, \$171,000; South Dakota, \$240,000; Wisconsin, \$75,000; Ohio, \$50,000; Georgia, \$50,000; and Texas, \$347,000.

SEVEN KILLED WHEN WALL OF THEATER IN BROOKLYN COLLAPSES

Many More Are Injured in Accident—Bodies of Men Crushed Beyond Recognition—Structure Fell Without Warning—Owners and Contractors Summoned

(By The Associated Press) NEW YORK, Nov. 29.—Collapse today of the steel girded roof and one brick wall of a theater under construction in Brooklyn killed at least seven workmen and injured more than a score.

Firemen and police working among the ruins tonight with axes, crowbars and gas torches may find more bodies that will bring the death list to 15 or 20 according to one of the owners.

Inside the building when the crash came were between fifty and sixty mechanics and laborers putting the interior finishing work in place. Working on scaffolding swung from the roof girders and braced against the sidewalls of what was to have been the auditorium they had no chance to escape, eyewitnesses who escaped said.

The owners, Samuel Moskowitz and Sylvester Rosenthal, said the building was being constructed by them thru sub-contractors. The owners as well as the six sub-contractors were summoned before District Attorney Lewis of Brooklyn for questioning. The owners declared the work had frequently been approved by building inspectors.

Search of the ruins was possible only by gradual removal of the tons of twisted steel and terra cotta finishing. Gradually seven bodies were brought to sight, many of them crushed beyond recognition. Identification in most cases was made possible by working cards.

The north wall of the building, falling away from the theater, crashed down over a one story building where two men and a woman were at lunch. All three were injured and had to be extricated by firemen who cut away the beams pinning them down.

Ted Werner, foreman of a gang of sixteen metal lathers, was working on one of the scaffolds swung to the ceiling.

"The whole structure fell in without even a warning crash," he said. "I escaped death because I was near the wall and the roof swayed in the opposite direction. As it was, I was carried down with the structure falling at least thirty feet."

A sixteen year old apprentice boy working on the roof was carried down and escaped with a broken jaw.

The building which was to have had a seating capacity of 1,800, was designed to cost \$750,000, one of the owners said.

FIGHTING RETURN TO MINNEAPOLIS

(By The Associated Press) CHICAGO, Nov. 29.—Hearing on a writ of habeas corpus to keep Robert Bryson from going back to St. Paul, Minn., to face a charge of slugging John M. Guise, a school principal, was continued today until Thursday, because Gov. Len Small withdrew a governor's warrant for Bryson. A hearing for the re-issuance of the warrant is to be held tomorrow at Springfield.

Guise, according to St. Paul officials, was mistaken for a man named Klaus, an organizer for a typographical union in St. Paul. Walter Holmes, arrested with Bryson here last week, was released, because witnesses from St. Paul could not identify him.

FRENCH WAR BRIDES WANT TO GO HOME

ST. MARIES, Idaho, Nov. 29.—Tears came to the eyes of Marshal Foch here today when three French war brides pleaded with him to take them back to their native land.

"We love America, but we are lonesome for France," they told him.

"You must never forget France, but you must love your new homes and honor your husbands," the marshal replied.

Marshal Foch was presented with a silver ingot by R. D. Leeper, Idaho American Legion commander and representative of Governor Davis.

DISARMAMENT MUST COME FIRST

Paris, Nov. 29.—The executive committee of the International Chamber of Commerce meeting here today unanimously adopted a resolution declaring: "No proposal of a settlement of the general economic position of the world can be effective unless in the first place international disarmament is carried out."

FAMOUS AUSTRIAN SURGEON FAINTS WHILE AT WORK

American Colleagues Finally Induce Him to Quit

(By The Associated Press) NEW YORK, Nov. 29.—Weakened by lack of nourishment, due to a malady of the stomach, Dr. Adolf Lorenz, the noted Austrian surgeon, fainted three times today while attending patients in his charity clinic here. Then, after recovering from the succession of collapses, which took place within a few minutes of each other, the famous specialist, deaf to the pleadings of his American colleagues, insisted upon going to another hospital where new scores of poor people were clamoring for his ministrations.

Later in the day, and with the utmost reluctance, Dr. Lorenz yielded to the arguments of the physician with whom he consulted yesterday, announcing that next week, unless he was stronger, he would hold but one clinic each day, in his effort to repay part of his country's debt to America for food and medical aid.

"It is too much—all this work," he said. "I cannot do it all with my strength. I'm sorry." When the great bone specialist saw his first patients at 8:30 this morning, hundreds of men, women and children were waiting in line outside the hospital. Scores, hospital attaches declared, had waited there in the rain all night—mothers and fathers with cripple children in their arms; unfortunates on crutches or leaning on canes.

IMPLEMENT PRICES DROP 15 PER CENT

(By The Associated Press) GRAND RAPIDS, Mich., Nov. 29.—Implement prices have dropped about 15 per cent below the war time levels, but still are 30 per cent above the pre-war prices, according to L. F. Wolf, secretary of the Michigan implement dealers association in conference here. Officers declared they were more concerned with increasing the farmers' purchasing power than with any other problem.

Freight rates, greater use by Michigan bankers of the war time fund and tax reductions are subjects to come before the meeting.

BOMB KILLS ONE IN BELFAST

Belfast, Nov. 29.—One woman was killed and two women were injured tonight in a bomb explosion. The bomb was thrown from a railroad embankment into a street in the low market district.

surely the Kiwanis club is giving proof of real interest in young men and athletics. The dinner tonight is a graceful recognition of the sportsmanlike spirit of the local football teams and their excellent work during a past season. The action of the Kiwanis club, quite well known, is the feeling of Jacksonville toward the organizations.

The soldiers bonus law in Missouri is to be tested in the courts as some of those opposed to the measure, question its constitutionality. Public sentiment has its influence even in court findings, and the law is likely to stick.

The farm bureau will hold its annual meeting today. Indications point to a large attendance of members for interest in the organization is fully maintained. This is a natural condition for the farmers are recognizing that in the days of lower prices that they need, as they have not needed before, the benefits that can come through national organized effort.

The national prohibition party has determined that its reason for continued existence is to help in making prohibition a fact. People used to laugh at the prohibitionists and think that their goal would never be reached. The prohibition party did not get into power, but the movement it started and aided, brought to pass the eighteenth amendment.

More than 10,000 head of stock are on view at the Chicago Livestock show, which indicates that there is still great interest in such events. Some big money has been lost in the livestock game but it is an essential industry and the men who engage in it consistently will eventually succeed.

The square decorations for Christmas as planned by the Chamber of Commerce trade extension committee beats the municipal Christmas tree idea decidedly. The decoration idea will give a "Christmas" atmosphere throughout all the holiday season.

IS PETROLEUM PROSPERITY GENUINE?

Many persons believe that the present prosperity of the petroleum industry is fictitious, and that the rise in crude oil prices has resulted from manipulation.

Are they right? "Probably they are not," says Paul Clay, in Forbes magazine, who presents facts and figures to bear out his opinion.

"The layman naturally argues that since everything else has come down, there is no reason why petroleum should not also come down. His feeling in the matter is that if \$1.28 was a normal price for crude oil in the boom year of 1913, \$2 can hardly be a normal price in these present times of depression. Possibly this figure is a little high, and certainly if the rise continues we may soon call it inflation; but it is equally certain that crude oil should now and hereafter rule much above pre-war prices.

"It should do so for the double reason that the cost of production is far higher than it was then and that the petroleum industry has been revolutionized by the sensational increase in the use of automobiles. Of course, the latter is the more important of the two factors. There are now in the United States about 9,500,000 automobiles and trucks, and they are consuming gasoline at the rate of about 400 gallons each yearly; so that their gross consumption is roughly 3,800,000,000 gallons. Otherwise expressed, the present gasoline consumption by automobiles alone is equivalent to almost 200 per

cent of the aggregate value of all petroleum products in 1914." Summarizing, the writer says: "The petroleum prosperity looks genuine. There is no logical reason why petroleum should go down with other prices, because automobiles and oil burning ships have re-enforced the demand. If anything was abnormal or manipulated, it was the decline in crude rather than the subsequent rally. Consequently, investments in the stocks of stable and experienced oil companies with conservative managements and good records appear opportune."

LOCAL COMPANY PLANS ADDITION TO BUILDING

Illinois Tire and Vulcanizing Co. to Soon Begin Work on Substantial Addition to Present Quarters.

The work on the addition to the building of the Illinois Tire & Vulcanizing Co. will begin at an early date according to a statement made yesterday by H. J. Floreth, president of the company. A house which faces Morgan street is to be removed and the addition will be 40 feet wide and 90 feet deep. It will connect with the present plant of the company and a part of the building will be two stories in height.

The upper room will be used for a part of the vulcanizing process. The boiler room will be at the north end of the addition. Just to the south will be a storage and packing room. There will still be sufficient space to provide for an entrance on both the south and west sides of the building, thru which a car may be driven.

In the past it has often been necessary to park cars in the alleyway while the tires were being changed or similar work was being done.

With the new building all of the work can be done within doors. The building is to be of tile and concrete construction with a gravel roof. It will be a worth while improvement and will greatly increase the facilities of the Illinois Tire & Vulcanizing company.

WOMEN VOTERS TAKE UP HEAVY SUBJECT

Will Study How Political Boss Pulls Strings on Election Day—Meetings Will Be Held in Chicago.

Chicago, Nov. 26.—(By The Associated Press.)—Non-partisan leaders of women voters of the middle west will meet here Nov. 29, under the direction of Miss Belle Sherwin, vice president of the National League of Women Voters to study "how your political boss pulls the strings on election day."

This is the first step in that direction to be taken by American women on the advice of the League's Cleveland convention last spring, "To remove your political boss and his evils, first know what your boss is like."

Miss Sherwin, a Cleveland, is head of this "Institute on Efficiency in Government," to be conducted in Chicago from Dec. 1 thru Dec. 3. She will be accompanied by several scores of Cleveland women and by three practical Cleveland politicians who are going to do some explaining. They are A. R. Hatton and Walter Millard, chief campaigners for the successful city manager amendments, and Common Pleas Judge Maurice Bernon.

Judge Bernon has promised to "speak most candidly" Miss Sherwin said, on "How politics handles election machinery."

"What's the matter with the ballot?" is to be Hatton's subject, and Millard, who is secretary of the Proprietary Representation League, is to talk on "Methods of Voting."

Tolls taken by the various leagues during the past month to find out when non-voting men do not vote are to be discussed by Prof. Charles E. Marham of the University of Chicago, former Chicago alderman and candidate for mayor.

Raymond Moley, director of the Cleveland Foundation is to speak on "your election laws and how to study them." Prof. Ralston Hayden of the University of Michigan will lecture on "ballot forms and Prof. P. Orman Day of Northwestern University on non-voting process."

Women from Wisconsin, Illinois, Indiana, Kentucky, Michigan, West Virginia and Ohio will meet here Nov. 28th the day preceding the institute. For the fourth regional conference of the National League of Women Voters. The league succeeded the national Woman Suffrage Association when suffrage was won.

PROPOSES PLAN FOR DECORATING

Trade Extension Committee of Chamber of Commerce Would Decorate Business District During Holiday Season.

The Trade Extension committee of the Chamber of Commerce has proposed a plan for decorating the business district during which will be very beautiful and expressive of the Christmas spirit if carried out.

Forty merchants of the city have already subscribed to the fund for this purpose and it is the hope of the committee to have enough merchants subscribe to be able to decorate all around the square. The list of subscribers will be completed by the end of the week.

It is proposed to decorate every light post surrounding the square, including those in the streets known as "island lights." The decorations would consist of Christmas trees 6 to 8 feet high, set in white painted barrels, one to be placed at every light post. The branches of the Christmas tree would be held to the post by a frame, which would also hold other decorations.

Surrounding the square, attached to the light posts, would be two strands of wire upon which small and evergreen would be hung. The two lower globes of each light post would be made to reflect a red light. From these wires Japanese red rope would be strung to the Christmas trees at each post.

According to the proposed scheme of decoration, a Christmas tree would be stationed in front of every business establishment around the square, and probably on East and West State streets. On the barrels holding the trees such inscriptions as "Merry Christmas" and "Welcome" would be seen. Arches twined with evergreen would be constructed at the east and west entrances of the park.

The proposed plan has been done in colors and is on display at the Chamber of Commerce rooms. The decorations would be left up from ten days before Christmas until after New Years.

HI Y CLUB HELD MEETING TUESDAY

Supper Was Served at State Street Presbyterian Church—W. J. Brady Talks to Members of Club

The Hi Y club met at State street Presbyterian church last evening and enjoyed a delicious supper, served by the members of the Happy Hour class, of the State street Sunday school. There were fifty of the members present.

Following the supper, the club heard a report of the State Older boys conference, held in Decatur last week, from three of the members of the club who attended. The boys, Clarence Souza, Albin Woulfe, and Willard Johnson, reported on separate sessions of the conference.

W. J. Brady also talked to the boys, taking as his subject, "Moses." He told the club members of the ceaseless activity of man, always selling something, and how it is necessary that we have something worth while to sell.

Secretary Findley then took up the Bible study, with the topic, "Eight Outstanding Characters of the Old Testament."

The next meeting of the club will be held next Tuesday evening at the Westminster church. The supper will be under the direction of Mrs. Gunn.

ATTENTION K. of C.

All members are urged to attend meeting Thursday night 8 o'clock. Entertainment. Music and smoker.

RED MEN PLANNING FOR BIG COON HUNT

Members of Delaware Tribe Will Chase Festive Coon Friday Night—To Have Big Feed Next Tuesday

Members of Delaware tribe, No. 78, I. O. R. M. at the regular meeting Tuesday evening made plans for a big coon hunt to be held Friday evening of this week. All members of the tribe are cordially invited to take part in the hunt and the subsequent feed on next Tuesday evening. The party will start from the wigwam.

At the next meeting Tuesday evening, Dec. 6, the regular semi-annual election of officers will be held. It is desired to have a large attendance at this time and it is believed the big feed will bring out the members.

To make sure there will be no disappointment those in charge of the hunt have arranged to have a good supply of coons furnished

so that there is sure to be plenty to eat.

HIGH SCHOOL HAS BASKETBALL SCHEDULE

Season Will Open With Camp Point Here December 10— Mitchell Looks for Strong Team This Year.

The Jacksonville High school basketball schedule has been completed, and arranged for ten games on the home floor. Practice will be started this week and with the material left from last year's team, Coach Mitchell feels sure that he will have an unusually strong team. The fast second team which came near defeating Springfield last year is practically intact, Struck being the only man to graduate.

It will be noticed in the schedule below that none of the schools scheduled to play Jacksonville are of the size of this school. This is a regrettable fact, but is made necessary by the high expense of bringing teams from the larger cities here. If the local fans get out and back the team in the right way they would be able to bring teams from the better schools here. For the same reason on all of the football games with the larger schools had to be played away from home.

The following is the schedule:
Dec. 10.—Camp Point here.
Dec. 23.—Murrayville here.
Dec. 27.—Delavan here.
Dec. 31.—Athens at Athens.
Jan. 6.—Waverly here.
Jan. 12.—Rushville at Rushville.
Jan. 20.—Griggsville at Griggsville.
Jan. 21.—Barry at Barry.
Jan. 27.—Franklin here.
Feb. 3.—Rushville here.
Feb. 4.—Waverly at Waverly.
Feb. 10.—Jerseyville here.
Feb. 18.—Jerseyville at Jerseyville.
Feb. 24.—Athens here.
Feb. 25.—Griggsville here.
March 3.—Bluffs here.

FRANCE LOOKING FOR NEW FUEL

Trying to Find Something to Take Place of Gasoline—Making Tests of Denatured Alcohol.

A "national fuel" for automobiles and internal combustion engines that will make France less dependent upon other countries for gasoline, is being sought by government and private laboratories. Many tests with denatured alcohol and benzol added in small quantities to gasoline have given good results.

A week of competition with various formulae will be held at Beziers in February, 1922. Private interests have contributed 400,000 francs to the fund for these tests. Another fund of a like amount has been made available by parliament for laboratory and road tests under the supervision of a parliamentary commission.

Alcohol is available in France from sugar beets principally but it is planned to develop other sources of supply.

So far it has not been found that there is any great economy in using alcohol but it is believed that, with increased use, the alcohol industry might produce at lower prices. The principal advantage sought in the national fuel however, is independence of foreign oil supplies. During the war there were at times danger-

ous shortages of fuel for air-

planes and automobiles.

One of the problems to be solved is the effect of any new mixture on engines and their lubrication. Another difficulty is the necessity of some redesigning in motor construction to get easy

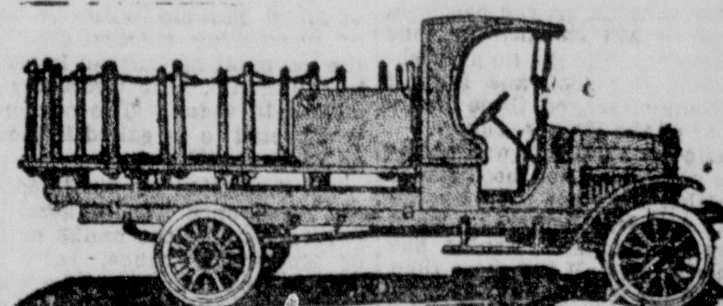

starting and the greatest efficiency.

Louis Ward helped represent Sinclair in the city yesterday.

GAINS REPORTED BY BUSINESS MAN

Resident of Salt Lake City Adds Ten Pounds While Wife Gains 28 Pounds in Weight.

John J. Perry, 370 Quince St., well-known Salt Lake City, Utah, business man, in reporting remarkable gains in weight both by himself and his wife, says:

"My wife gained twenty-eight pounds and I gained ten pounds in a few weeks by taking Tanlac. The change in Mrs. Perry is all the more remarkable, as she has been going down hill steadily for four or five years. She got no nourishment from her food and I don't believe she averaged three hours sleep out of the twenty-four."

"While my condition was not as serious as hers, I had been under the weather for some time, had no appetite and was bothered a good deal by indigestion. Tanlac has certainly proved all and more than is claimed for it with us."

Tanlac is sold in Jacksonville by J. F. Shreve, Druggist, and by the leading druggists everywhere. Adv.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from native bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.

FEDERAL RESERVE BOARD PROBABLY WILL BE NAMED

Will Take Part in Conference With Allied Bankers

(By The Associated Press)

WASHINGTON, Nov. 29.—The federal reserve board probably will designate an unofficial adviser to take part in a conference of allied bankers to discuss means of preventing fluctuations upon the payment of German indemnity installments, high treasury officials said today. The conference is expected to be called in London or Paris shortly.

An invitation to participate in the conference was tendered this government by the banks of issue of England, France, Italy and other allied countries. The United States probably would not be officially represented they said but the presence of an adviser of the reserve board would permit the presentation of the American viewpoint.

Officials here indicated that it was more probable that Roland T. Boyden, observer for this government before the reparations commission, would be asked to serve as unofficial representative of the reserve board at the exchange discussions while continuing his present capacity. Exchange discussion at the coming conference officials declared would be confined to devising means of avoiding disturbance of exchange ratios by the payments on the German indemnity in January and later and would not include any proposals for international exchange stabilization settlement of the foreign debt questions or other world economic problems.

Ask Study of Problems.

Decision of the reparations commission to ask a committee of bankers from the allied nations to study the problem of the effect of indemnity payments upon exchange quotations officials explained, was reached because of the violent fluctuations which had resulted in the past after the transfer of gold from Germany to the allies. The effect upon American exchange it was said has been carefully noted by the administration.

While the possibility of any immediate discussion of international economic questions tending to world readjustment was discounted both in official circles and among the delegates of the limitation of arms conference it was indicated strongly that some such international conference may be held later. The attitude of the American government towards an international economic conference was said to be that some effort must be made to solve the tangle of world difficulties but not during the present arms conference. The administration it was asserted.

BELIEVE WHITTLESEY PLANNED HIS DEATH

(By The Associated Press)

NEW YORK, Nov. 29.—Believe that Lieutenant Colonel Charles W. Whittlesey, medal of honor man and commander of the famous "Lost Battalion" of the Argonne woods planned at least eight days in advance the self-destruction executed at sea on Sunday gained ground today as new details of his recent actions came to light.

On November 18, one week after the "unknown soldier" service in Washington, which is thought to have added the last fatal burden to a mind already overburdened with melancholy recollections of the horrors of war, he engaged passage to Havana on the Tolosa, from which he disappeared 24 hours out from New York.

At the time of booking the passage employees of the ticket office said today he inquired as to ships leaving about a week later, selected the Tolosa at random and indicated that its first stop, Havana, would serve as well as another for his destination.

These employees said he was most solicitous about having a cabin in a secluded part of the ship, studied a plan of the vessel and chose one on the starboard side forward from which he could reach the promenade deck unseen.

TIDAL WAVE TAKES TOLL OF 1,200 LIVES

Manila, Nov. 29.—The entire town of Ibaigay in the province of Capiz was inundated by a tidal wave Sunday and many houses with their occupants swept out to sea, according to dispatches from the postmaster of Ibaigay.

Despatches to consular headquarters here said the town of Macato in the same province was also submerged by a tidal wave and more than a hundred natives drowned.

CLARKSON PLANS TO TEST KANSAS INDUSTRIAL LAW

Will Try State and Then the U. S. Supreme Court

(By The Associated Press)

INDIANAPOLIS, Ind., Nov. 29. John S. Clarkson, former United States senator from Iowa, appearing before the international executive board of the United Mine Workers of America today explained a plan of procedure he has mapped out for raising the question of the constitutionality of the Kansas industrial law.

The method of contesting the constitutionality of the Kansas industrial law has been one of the causes of friction between John L. Lewis, international president and Alexander Howat, deposed president of the Kansas district. Miners in Kansas in supporting Howat are said to have refused to return to work as ordered by international officers. The last step taken in the situation was the recent suspension of the district charters.

Clarkson has been employed by the international executive board as counsel in the case. His proposed action it was said probably would be to present the case to the Kansas supreme court and then to the United States supreme court for final decision.

TELLS REASON OF MOROCCO TROUBLES

French Officer Says it Is Due to Misinterpretation of Native Psychology

PARIS.—(By the A. P.)—Spain's troubles in Morocco are due to a double error, according to a French former army officer, Marcel Pays, who has long been a resident in Morocco.

"Spanish policy," he tells the Excelsior, "both misinterprets treaties and ignores native psychology. Spain insists on treating her zone of influence as a Spanish protectorate."

"There is only one Morocco and only one Sultan, who is its political and religious head. The Sultan, in agreement with France, has recognized the predominance of Spanish interests in a certain zone, and has entrusted its pacification to Spain, in his name."

"In theory, and as far as religion is concerned, also in fact, the Sultan is sovereign in the Spanish zone as in the French but, as he cannot be present in person in both zones, he is represented in the Spanish zone by a Caliph, to act for him with the Spanish authorities."

"All the trouble arises from the investing of this Caliph, the administrator of Tetuan, by the Spaniards, with all the political and religious prerogatives of a real Sultan."

"This rupture of Morocco's moral unity has set up a real religious schism, which has strong influence on the natives of the Spanish zone."

"To avoid even the form of dependence on the Sultan, Mouley Youssef, the Spaniards have mounted the Caliph all the attributes of a Sultan, the parol of state; a court, the right to issue letters like the Sultan, etc., thereby to increase their own influence."

"This policy entirely disconcerts the natives, and leaves them easy victims to ambitious men seeking to stir up trouble, who spread reports that the Sultan has abandoned them and that the Caliph's religious authority is nothing but an imposture. 'You have no right' they tell the natives, 'to live under the rule of the unfaithful. The only way to save your soul is to wage the holy war.'"

"This may not be the only reason for the rebellion of the Rifis," concludes M. Pays, "but it is what is at the bottom of the difficulties Spain meets in her zone."

SPEAKER URGES CREDIT FOR FARMERS

Cincinnati, O., Nov. 29.—Five hundred farmers from Cincinnati and contiguous territory, most of whom are interested in the milk producing industry heard Congressman Sydney Anderson urge the adaptation of the banking machinery of the country to the credit requirements of the farmer and reduction of freight rates on farm products as the most pressing needs of the agricultural industry at the final session of the fifth annual convention of the National Milk Producers' Federation here today.

Congressman Anderson is chairman of the joint congressional commission of agricultural inquiry.

PROHIBITIONISTS WILL CONTINUE PARTY

Chicago, Nov. 29.—The National Prohibition conference in session here tonight passed resolutions favoring continuation of the national prohibition party to make prohibition more effective. The resolution will be presented to a meeting of the National committee of the prohibition party here tomorrow.

The resolution adopted by the conference came at the close of a warm debate during which other resolutions were offered to change the name of the party and broaden its scope and cease all its non-partisan efforts.

TAKES MOTION UNDER ADVISEMENT

BOSTON, Nov. 29.—Supreme Court Justice DeCourcy today took under advisement a motion in the Christian Science litigation by former Governor John L. Bates, counsel for the directors of the First Church of Christ, Scientist that decrees had been entered to carry into effect the decision of the court in the controversy between the directors and the trustees of the publishing society. The court in a decision handed down last week found that the directors had control over the trustees.

A motion by Governor Bates to dissolve the injunction restraining the directors from interfering with the business of the publishing society was held open by the court for the present.

MEXICAN OFFICIAL HANDS IN RESIGNATION

Mexico City, Nov. 29.—The resignation of Secretary of Agriculture Villereal, which it is thought President Obregon undoubtedly will accept, is the forerunner of several changes in the Mexican cabinet, according to a number of Mexico City newspapers today which added, however, that the government's agrarian policy will remain unchanged.

It is generally believed that General Amado Aguirre the present secretary of communications and public work will be Senor Villereal's successor and that General Enrique Estrada, minister of war will take over the post of minister of communications with his present under-secretary, General Serrano, moving to the head of the war department. The delicate health of the secretary of the interior, Calles, may cause him also to renounce his portfolio.

BANDIT IS FOUND GUILTY

Omaha, Neb., Nov. 29.—William Bullis tried in connection with the fight on the Schneider farm near Council Bluffs, Iowa, between officers and gangsters a few weeks ago in which Robert Murray, a special agent and Tom King, alleged bandit were killed, today was found guilty in the district court at Council Bluffs. He faces sentence of 25 years under the habitual criminal act and one of from 5 to 10 years under charge of receiving stolen property. Mrs. Alice King, known as the "midget bandit queen" was placed on trial immediately and jury had been chosen late today. She is charged with murder in connection with the case. She is the widow of Tom King, slain in the fight.

Mrs. Henry Suiter and Mrs. Walter Welch of New Berlin were shopping in the city yesterday.

NEBRASKA BORROWS BUT LITTLE MONEY

OMAHA, Neb., Nov. 29.—According to a special dispatch from Washington, D. C., to the Omaha World Herald today, Nebraska is near the bottom of the list of Mississippi valley states in borrowing money from the war finance corporation. Figures for the following states were as follows:

Iowa, \$7,000,000.
South Dakota, \$3,000,000.
Minnesota, \$1,383,000.
Missouri, \$1,060,000.
Wyoming, \$1,417,000.
Colorado, \$1,460,000.
Nebraska, \$847,775.
Kansas, \$23,000.

The war finance corporation declares, according to the despatch that the reason for the low amount drawn by Nebraska farmers, lies with the farmers themselves, in that they have failed to take advantage of the loans. Comparatively few Nebraska applications for loans have been turned down, the despatch adds.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers. Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime.

Thousands take them every night just to keep right. Try them. 15c and 50c.

school football squads, together with the coaches. This courtesy is extended the football players because of the record they have made in the season which closed with Thanksgiving day.

Several weeks ago F. E. Farrell, president of the Kiwanis on behalf of the club made a promise that if the teams finished the season with at least 60 percent of the games won that a dinner would be given in their honor. The percent was considerably in excess of the figure mentioned, so the Kiwanians are hastening to make good the promise.

The address of the evening will be given by C. E. Jenks, secretary of the Springfield Chamber of Commerce. A number of musical selections will be given by the club quartet, which includes A. T. Capps, Dr. Thomas Smith, John L. Johnson and Hubert Little.

LITTLE BABY IS ABANDONED IN CAR

Child Month Old Is Left in Car of Local Resident—Taken by Police to Passavant Hospital

How would like to be a little baby month old and be abandoned by those who should love and care for you?

That is the predicament of a little waif that was found wrapped in a blanket in the rear seat of an automobile belonging to a local resident Tuesday evening.

The little one was taken to the police station, where Captain Elliott, in the bigness of his heart, mended it until arrangements were made to take it to Passavant hospital.

Just a little baby, unable to care for itself, left out in the cold and darkness. We wonder what it thought when it opened its baby eyes and looked up into the strange face of Captain Elliott. Perhaps it wondered why the mother who bore it had deserted it in its greatest hour of need.

It is a pretty baby with red hair and big innocent eyes that look at the world without knowledge of what it all means. But now it has no one and must depend on strangers for what care it gets.

Hundreds of mothers reading this will press their little ones closer to their breasts, the while their hearts will go out to the little abandoned child. Perhaps its own mother may feel the pangs of regret so deeply that she will come back and claim her baby.

The automobile in which the baby was placed was driven by a number of young women, who were going to attend a party. They arrived at the house where the party was being held about 8 o'clock. When they came out at 11 o'clock, they found the baby asleep in the back seat.

It was wrapped warmly in a new blanket and by its side was a bottle of milk with an extra bottle and nipple. There was also a supply of clothing. The clothing was of such quality as to lead the police to believe that the child belonged to some one of means.

There were no marks of identification on any of the clothing. One of the pairs of stockings included in the extra clothing was new and had never been worn. It was marked "Dixie" brand.

The young women immediately notified the police and the baby was taken to the police station. Captain Elliott notified Miss Fowler, who made arrangements for the baby at Passavant hospital, and it was later taken there to be kept temporarily.

Captain Elliott also communicated with Dr. A. M. King, the health physician, and today will get a list of births in the city for the past six weeks. He is of the opinion, however, that the child was brought here from some other city.

WOULD MAKE PUBLIC CERTAIN TRADE SECRETS

Washington, Nov. 29.—Charging that the federal trade commission is endeavoring to make public certain trade secrets and processes, 22 eastern iron, steel and coke corporations today filed answer in the supreme court of the District of Columbia to a petition of the commission. This petition asked that the court order the corporations to turn over all books, records and other data for the purpose of reference in the examination by the commission of witnesses for the corporations.

HOWAT AIDS CLAIM ONLY FEW WORKING

Pittsburg, Kans., Nov. 29.—A survey of working conditions at the coal mines of Kansas as made public here late today by the Howat board, showed that 287 men are employed at the large deep mines of the district and two or three large steam shovels.

It was given out to refute the statement of international union officials that a large number of men are working.

EXPORTS SHOW BIG DECREASE

New York, Nov. 29.—Value of exports passing thru the port of New York in October of this year was scarcely one-third the value of exports for October, 1920, according to figures made public tonight by the collector of customs.

The total value of exports to all countries was given as \$94,503,030 as against \$263,040,348 in October, 1920. Imports were valued at \$168,483,456 as against \$179,929,909 for the corresponding month last year.

HEAR HIGH CLASS MUSIC OVER WIRELESS

Chief Engineer Wackerle, of the Illinois Woman's college, led a high class concert and gave opera last evening over the wireless telephone that he operates. He succeeded in hearing a concert in Pittsburgh, Penn., another concert at the University of Illinois at Champaign, and some regular grand opera at Chicago. Mr. Wackerle has for some time been trying to tune his instruments so that he could hear Chicago and succeeded last night. The music was perfectly clear and natural sounding, and was rarely interrupted. When one considers that fact that Mr. Wackerle sits in a basement room of the I. W. C. and listens to grand opera in Chicago and a concert in Pittsburgh, Penn., we begin to realize the wonders of modern science and invention.

CONTINUANCE GRANTED IN S. T. ZACHARY CASE

Case of Man Charged With Murder of Luther Crawford Is Continued Until May Term of Circuit Court—Orders Entered in Various Cases.

Samuel T. Zachary, who is charged with the murder of Luther Crawford, appeared in the circuit court before Judge Smith Tuesday, when a motion was entered in his behalf for continuance. Mr. Zachary was represented by William N. Haigrove and John M. Butler.

It was the statement of the attorneys that there had not been time since the shooting to properly prepare for a court hearing. After considering the arguments presented, Judge Smith entered an order continuing the case until the May term of court.

Motion was also made by William N. Haigrove as attorney for Ellsworth Pires, who is charged with the murder of James Gaddis, asking for continuance. The argument on this motion has not been heard.

Merrill Sablet, who is charged with larceny, entered a plea of guilty. A motion was made that he be admitted to probation. The matter was referred to Benjamin C. Andrews for investigation, a report to be made by Dec. 5.

A jury heard the argument in the case of Willie Gray, who is charged with the theft of chickens. The case was prosecuted by State's Attorney Robinson and Gray was defended by J. O. Priest and Hugh P. Green.

The jury which heard the case included: Frank Tendick, Clark L. Green, Felix Shanley, Jess Henry, Amos McCurley, G. S. Beekman, Andrew Kehl, W. A. Schmitt, O. C. Conliss Charles A. Hall, J. W. Mallen and E. F. Johnson.

A verdict was returned finding the defendant guilty of petit larceny. This was one of a number of crimes with which Gray has been charged in recent years.

The case of John Hiles, charged with forgery, was dismissed on motion of the state's attorney.

In the assumption suit of The Grain & Supply Co., of Neeleyville vs. James E. Bennett & Co., the demurrer was overruled.

In the trespass suit of Goldie Cohen vs. Ben Cohen, the demurrer previously entered was withdrawn.

In the assumption suit of Gladys R. Masters vs. M. F. Dunlap, a general and specific demurrer was entered to the specific counts, and motion was made asking for a bill of particulars.

In the assumption suit of the receivers of the C. P. & St. L. vs. Simeon Fernandes & Sons, motion was made by the defendant for a specific bill of particulars.

In the suit of Gates Strawn as administrator, vs. Henry Oakes, et al., the demurrer was sustained and leave was given to amend by Dec. 26.

In the suit brought by Noah Hudson, et al., vs. John Garvin, et al., to set aside will exceptions to the master's report were sustained.

In the suit of Rufus Jarrett vs. Maude Jarrett, to annul marriage, decree was entered and the cause stricken.

In the divorce suit of Ada Jane Stice vs. B. L. Stice, an order was made requiring the payment of temporary alimony of \$7 per week and an amount for attorneys fees.

CLUBS AND SOCIETY

Franklin Homemakers' Circle Met With Mrs. Seymour.

The Franklin Homemakers' Circle was entertained Tuesday afternoon at the residence of Mrs. Milton Seymour of Franklin. Thanksgiving was the general subject and roll call answer was "Our Puritan Ancestors." Several of the leading characters of Puritan days were described in a paper by Mrs. Otha Lewis and Mrs. Maurice Keplinger wrote on "What Thanksgiving Means to Me." Plans for an entertainment to raise money toward the pledge to the Tuberculosis sanatorium were discussed during the business session. A social time and refreshments closed the meeting.

East Side Tuesday Club Met With Mrs. Metcalf.

The East Side Tuesday club met yesterday afternoon with Mrs. A. C. Metcalf at Illinois Woman's college. Miss Wackerle gave a candy making demonstration being assisted by Miss Tickle, head of the Home Economics department and several of her pupils, the Misses Hodgins, Dorothy Smith, Flo Dykeman, Ada Foster and Gladys Laughlin. Members responded to roll call with candy recipes. Following the demonstration a social hour was had and refreshments were served.

Past Pocahontas Club Met With Mrs. Larson.

The Past Pocahontas club of Minnetonka Council No. 71 Degree of Pocahontas met Tuesday evening with Mrs. Alfred Larson, 505 South Clay avenue with a good attendance of members. After the business session a social time was enjoyed and Mrs. Dorothy Huffman a guest of the club gave several piano numbers. The hostess served delicious refreshments. The December meeting will be held with Mrs. Irene Claus the date to be announced later.

Strawn's Crossing Club Met Tuesday.

The Strawn's Crossing club met at the home of Mrs. Frank Hunter near Strawn's Crossing Tuesday afternoon. This was the Thanksgiving meeting and the program was in keeping with the day. The president, Mrs. William Cleary, presided. The first part of the program was Thanksgiving story by Mrs. Ed Phillips. Then came a paper by Mrs. Edgar Boston, on "The Courtship of Miles Standish," closing with that well known adage, "If you would be well served, do it yourself." Following this was a group of songs, greatly enjoyed by everyone. By Mrs. Stella Mahan, accompanied by Mrs. Edgar Martin, both of Jacksonville.

The business meeting following adjourned to a social hour when delicious refreshments were served. Mrs. P. A. Heneghan, and Mrs. Zella C. of Jacksonville; Mrs. Edna Dunlap and Mrs. Earl Rexroat of Litchfield; James Dobyns and Miss Thillie Richardson of Orleans were guests. The next meeting will be December 13th, with Mrs. Ed Phillips.

WILL IS FILED
The will of the late Walter Dobson was filed Tuesday in the office of County Clerk G. L. Riggs. Mr. Dobson willed all his estate to his wife, Mrs. Linnie Dobson, who is named to serve as executrix without bond. Charles Strawn and Thomas P. Langdon were the witnesses to the will, which was executed Oct. 4, 1921.

AFTER MANY YEARS
A stranger was greeting a number of persons in Jacksonville yesterday when he mentioned his name many knew him. It was Archie Kingsley, formerly of Murrayville but who has been away a quarter of a century or more. He has been most of the time in Oklahoma and is now sojourning with old time friends in and about Murrayville.

Grace Church Bazar on Thursday, Dec. 1, open at 10 o'clock.

COLLEGE CLUB WILL MEET SATURDAY
A meeting of the Jacksonville College club will be held Saturday afternoon at 2 o'clock at the Pilgrim Memorial Congregational church. Mrs. Henry T. Rainey will be present and discuss the advisability of organizing a branch of the American Association of University Women here in Jacksonville. A large attendance of the membership of the club is hoped for.

SOUTH SIDE CIRCLE WILL MEET FRIDAY
The South Side Circle will meet Friday afternoon with Mrs. H. L. Griswold at her home on West State street. Mrs. W. C. Bradish will have charge of the program and the theme will be "Women of South America."

Mrs. I. C. Doyle of Roodhouse made a trip to the city yesterday.

BOLD HOLDUP OCCURS TUESDAY EVENING

Thief Grabbed Hand Bag From Mrs. Minnie Sooy—Contained Only Small Change and Pair of Glasses.

Mrs. Minnie Sooy of West Morgan street was the victim of a bold holdup about 7:30 o'clock Tuesday evening. The holdup occurred in East College avenue at the intersection of the alley running north and south just east of South Mainville street. The thief tore Mrs. Sooy's handbag from her hand and ran on south thru the alley. Fortunately it contained only some small change and a pair of spectacles.

Mrs. Sooy in company with Mrs. Alice Cummings also of West Morgan street were enroute to the home of Mrs. Alfred Larson to attend a meeting of the Past Pocahontas club. They were going east in East College avenue on the north side of the street.

Just as they reached the alley a large man dashed out and grabbed Mrs. Sooy's hand bag. She had the chain wrapped around her hand. The thief gave it such a hard jerk that it was torn loose from the chain leaving it in the victim's hand.

Without a pause the thief ran south in the alley and disappeared. The theft was committed so suddenly that neither of the women was able to tell whether the man was white or colored. It was fortunate that the thief did not get Mrs. Cummings' purse as it contained a considerable sum of money.

Both ladies were badly frightened by the incident but continued on to the Larson home. They consider themselves fortunate that they did not far worse at the hands of the thief.

FORMER RESIDENT OF WINCHESTER DIES

Death of W. H. Waters Comes as Shock to Many Scott County Residents — Other Winchester News.

Winchester, Nov. 29.—Mrs. Hattie Cline received a message Monday announcing the death of her brother, William H. Waters, which occurred Monday afternoon at 2 o'clock in Jacksonville. Mrs. Cline left Monday for the latter city. The deceased was a resident of Winchester in his younger days. He was born near Oxville and has many friends in the county, all of whom are sorry to learn of his death.

The funeral will be held at the Christian church in Chapin Wednesday afternoon.

Mr. and Mrs. Herman Martin and little daughter have returned from a visit in Lincoln, Neb., at the home of Mr. and Mrs. Harry Martin.

Mrs. W. C. McTherron will leave Wednesday for Chapin to attend the funeral of her uncle, William H. Waters.

Mrs. Julia Carlton and sister, Mrs. Alice Canatur, have returned home Tuesday, where they were called by the illness of their brother. They left the latter much improved in condition.

Mrs. Lois Dean Hamilton held a public sale Wednesday at her home near her. Household goods, farm implements, horses and other livestock were sold, and all brought good prices. The ladies of the Christian church served lunch at noon and realized a nice sum from their efforts.

DEATHS
Donnelly
Eugene Donnelly, former resident of Cincinnati, O., died at a local hospital at 8:15 o'clock yesterday morning. The remains were removed to O'Donnell's undertaking parlors and prepared for burial.

He is survived by a brother, of Chicago, and a sister of Kansas City. Funeral arrangements will be made as soon as they arrive in the city.

Rea.
Thomas Edward Rea, prominent farmer of Murrayville vicinity, died Tuesday morning at two o'clock at Our Savior's hospital. Mr. Rea had been in poor health for several years and was able to be about until last Friday, when he suddenly became serious.

The decedent was born, raised and had always lived in the Murrayville community. He was a son of the late Mr. and Mrs. Benjamin Rea. Mr. Rea never married, and spent his entire time in agricultural pursuits.

He leaves two brothers, Benjamin who lives on the home place, three miles northeast of Murrayville, and James Rea of near Virden. Mr. and Mrs. John Akers also reside on the home place. Mrs. Akers being a niece of the brothers.

Funeral services will be held at the Woodson Christian church at two o'clock this afternoon. Dr. G. W. Miller will officiate and burial will be made in East cemetery.

DIAMONDS

What's Behind the Price?

This is an important fact for every one who buys diamonds to make certain about. Few people can judge the quality of diamonds with certainty. They must depend largely upon the reputation of the firm from whom the gem is purchased.

Here, the exact quality of every diamond sold is guaranteed. In other words, the Russell & Thompson guarantee, behind the price you pay, gives you the best and surest assurance of quality.

Here one does not have to pay a big price in order to obtain a stone of satisfactory size and quality. We have them in varying sizes, and our experience in setting enables us to give any stone the appearance of much greater weight and size. Let us show you our mounted and loose diamonds.

OLD JACKSONVILLE

THE EAST AND WEST ENDS OF TOWN

(BY ENSLEY MOORE)
Member Illinois State Historical Society

One would find it hard to understand the different parts of various towns or cities. Jacksonville may be no exception.

Everyone should know that the original town ran from the first alley beyond North East College avenue and West street to the center of the square, or park, as it is now called.

Strange as it may seem

The First Institution

was the log school house, whose builder is unknown, also used as a meeting house, and for public gatherings generally. In this building Judge William Thomas began our first school in 1826.

Mr. Ellis did his first preaching there in 1828 and President Sturtevant read his first sermon, in 1829.

Before the "War of '61" people had got to calling the southeast part of town, "Pickup," and the northeast part, "Hardscrabble," and the western part, "Swell-head."

This gave place, in time, to the terms, East and West End. For some reason, the residents of these parts of the place got to having about as little to do with each other as those of different towns.

Of late years this has again changed and there is much more mingling of our people than there used to be.

In 1830, Governor Duncan built a three-room cottage, as his first home here, and it was the beginning of frame construction.

This was in Elm grove, a little west of the present Duncan house or "seat," as it was called. It was then one of the few great houses in Illinois.

The beginning of east end residences—before the town was laid out—was the celebrated double log cabin of "Father" Jordan, succeeded by Col. John J. Hardin's large frame residence, about 1836. Thus the west end and the east end dated about together, although both from earlier days than the town itself.

But the parts referred to in the beginning of this article were far

east or west of the Duncan and Hardin places.

Early Fair Grounds

In 1857 the southeast part of the town was very open. The Morgan county fair grounds were finally arranged on the practically treeless prairie at the north-west corner of Morton and Hardin avenues, there being twenty to forty acres inside the high board fence. One of the best exhibits always there, was the supreme quality of Illinois soil, which the people distastefully trod under their feet.

A removal of the place of exhibit of our products, was made in 1858, to the beautiful and shady grounds out on the Meredosia road, west of the School for the Deaf. This delightful "forty" became not only the fair ground for the state in 1860, but the camping ground for the heroes who "wore the blue," in the Fourteenth and One Hundred and First regiments of Illinois volunteers, and a dinner stop for Col. U. S. Grant, and his Twenty-first Illinois, as they marched to glory that July 5, in 1861. Our people need not be told of the useful and convenient and pleasant place those great grounds became for gatherings of all kinds, frequently numbering thousands of the people of this and surrounding communities. Many great men have spoken out there.

One of the most interesting and valuable meetings used to be those of the old settlers of Morgan and Cass counties, maintained here alternate years for three or four decades.

Another Governor

If the west end had a governor so did the east end, for in 1860 the people of Illinois called Richard Yates to be war governor of our great state, and he proved one of Abraham Lincoln's strongest supporters. Mr. Yates sailed forth in Jan. 1861, from the handsome villa residence into which he had just entered the year before; and who he left another Richard Yates, also to be chief executive of the state in 1901.

With national prohibition an accomplished fact, the W. C. T. U. has turned over to the American Legion the remainder of a war-time fund totalling \$4,000. The Legion will use the money for the immediate relief of sick and wounded service men.

The United States army has been so reduced in number that when the American Legion requested a firing squad from Ross aviation field, California, the commanding officer had to haul down a balloon to get the number of men required. The shortage of personnel is so acute that men must be taken off duty to fill such requests.

The American Legion has begun a nation-wide canvass to determine who was the last soldier killed in action. The French government will erect a monument to the last to fall. A legion post at New Haven, Conn., has put forward the name of Thomas J. Walpole, Jr., killed on the morning of Armistice day, in an outpost engagement.

Gamallel, the 60-pound turkey for President Harding's Thanksgiving day dinner, was sent from Crystal Springs, Miss., in a profusely decorated crate by the American Legion of that city. The entire town of Crystal Springs turned out to bid the bird goodbye. Gamallel's chap-erone to Washington was M. H. Dally, prohibition director for the state of Mississippi.

The Helping Class of Hebron church will hold a chicken pie supper and bazar at the church Thursday evening, December 1. Serving begins at 5 o'clock. Supper, 45 cents.

AMERICAN LEGION NEWS NOTES

An escaped leopard which terrorized Kansas City and Independence, Mo., was reported headed for Parsons, Kans. American Legion men of the city assembled in their club rooms, cleaned up the old army spirit, and used by the firing squad and prepared for the defense of the town. It was learned then, however, that a reward of \$50 was offered for the capture of the leopard alive. The guns were stacked and a Texas ranger of the post set out to rope the animal. He is still after it.

The American Legion post of Lawler, Ia., has completed a trade with the city authorities whereby the ex-soldiers act as the municipal fire department and the city in turn furnishes a club house and overhead expenses for the Legion men. The service men already have had several baptisms of fire.

An ex-soldier has requested the Oklahoma American Legion to canvass the country for Ollie Kendall, former doughboy of the 140th infantry, 35th division. "He was my buddy in France. I borrowed a bunch of francs from him once. Winter is coming and he is married and has two children. I know he will need the money this winter and I want to pay him, wherever he is," the service man said.

Chauncey M. Depew shocked the American Legion of New York the other day by appearing to ask for his war service medal. He was but a namesake of the world's greatest after-dinner speaker, however, and was a supply sergeant in the A. E. F.

Colorado and Texas led the lists of new posts chartered by the American Legion during the week ending Nov. 18, according to national headquarters. Eleven posts gained during the week raised the total to 10,672. Other states to add posts were Kansas, Louisiana, Michigan, Minnesota, Mississippi and Pennsylvania.

More applications for membership in Kansas City American Legion posts have been received since the national convention than in the preceding twelve months. The increase in the number of Legionnaires in Kansas City as a result of the convention has been estimated at 2,500.

More than 3,000 unemployed ex-service men of Chicago will eat Christmas dinner on "Light-nin" this year. With Fred Stone acting as stage manager and the veteran Frank Bacon as his assistant, the American Legion of Chicago is preparing the theatrical benefit.

To advertise an American Legion rummage sale for unemployed soldiers, Mrs. Harry H. Hewitt, wife of a prominent physician of Seattle, donned Charlie Chaplin raiment and paraded the streets with a sandwich board. Clothing from the rummage sale counters comprised her attire.

The town of McMinnville, Ore. wanted to add a pulmotor to its fire-fighting equipment. When the

Every Day Honesty

The world is sick and tired of bunk. The poor old overworked American dollar is almost down and out with a broken back trying to carry the load. Everywhere there is a song and dance about low prices. But, very often, when one looks up this low price stuff they find low value to even things up, and so no headway is made. We make no wild claims. Just come in here—into this, The Peoples, store—and see what we have and what it will cost you. We'll take a chance with 'em all on underselling and holding to quality. We give credit—remember that also.

YANKEES PLANNING FOR NEXT SEASON

NEW YORK, Nov. 29.—Plans for the 1922 campaign of the New York American league baseball club will be considered at a series of conferences in this city during the next few days. The presence of Manager Miller Huggins here at this time completes the executive circle and a thorough canvass of the prospects of the junior league pennant winners for next season will be undertaken. Manager Huggins stated today that efforts would be made to strengthen the team, particularly in the pitching department and that one or more high class twirlers would be acquired before the beginning of next pennant race.

Officers of the club said they had not the slightest intimation of the probable action of Commissioner Judge Landis in the Babe Ruth case and were eagerly awaiting the decision of the commissioner.

They also took occasion to deny rumors that the famous home run hitter had been promised a fabulous salary next season.

Chief interest at present among the officials of the club centers about the Yankee's new park which it is hoped to complete late next fall. Draughtsmen are working on the plans for the huge stands and the complete engineering details are expected to be placed in the hands of the contractors within the next month or two.

LITERBERRY

Miss Helen Young of Jacksonville was a visitor in Literberry Saturday.

The Murray family, old and young, met at a family dinner with Mr. and Mrs. Al Dunlap at Dunlap Heights on Sunday.

George Cole of MacComb, a brother-in-law of Mr. Guy, spent the week end with the Guy family, going from there to Springfield.

Word has just been received of the death of Miss Mary Guy, a niece of Mrs. Guy. The young lady lived at MacComb.

S. W. Nichols and daughter, Frances, of 717 West College street, Jacksonville, drove their Ford sedan to Literberry Sunday. They visited Sunshine cottage, where they were very welcome. Mr. Nichols and daughter will start in a few days on a winter trip to a warmer climate than ours, and will be gone about five months.

The Mission circle met on Friday at "The Hunter Home," with Mrs. John Hunter, hostess. Seven members were present. The roads were too bad for cars to travel. W. V. Daniels offered his big team of pretty black horses and his farm wagon to the ladies. Mrs. Walter Roach offered to drive and away they went, regardless of the ruts and mud. Mrs. Roach took them to the meeting and brought them safely home again. The seven in the crowd had a pleasant trip. A vote of thanks was given Mr. Daniels for his kindness in loaning his team.

After the business session, a short program was given, which included readings by Mrs. John Daniels, Mrs. J. A. Litter and followed by Mrs. Guy, who had a very good reading, "Crumb From the Master's Table." A good collection was taken and refreshments were served at the proper time by the hostess. The visitors were Mrs. S. W. Crum, Mrs. Chester Wilson, Mrs. Maud Martin, Mrs. Charlie Samples and Miss Anna May Wilson.

The December meeting will be with Mrs. John Daniels and there will be an election of officers for the coming year.

Rev. A. P. Howells filled his regular appointment at the Baptist church Sunday morning and evening. The subject for the morning lesson, was "The Shepherd and the Sheep."

Mr. and Mrs. Jesse Litter entertained on Thursday, Mr. and Mrs. C. A. Beavers and son, James Robert, Mr. and Mrs. John Daniels and their children.

Mr. and Mrs. Melina and their children, of Jacksonville, visited Mrs. Sarah Stevenson on Sunday.

Mr. and Mrs. William White, of Arcadia, visited at Maple Mound, on Sunday.

John Daniels and family, and Mrs. Nettie Scribner, drove to Maple View on Gold avenue, Grace chapel neighborhood, and visited Wall Mason and family, Sunday afternoon.

The Ladies Aid of the Baptist church will meet with Mrs. J. E. Underbrink on the first day of December. This is the time of the annual election of officers. A nomination committee has been appointed for this party and will no doubt please every one with their choice.

Miss Priscilla Strawn spent Sunday with Miss Eleanor Guy and attended Sunday school at the Baptist church.

Miss Rena Rexroat of North Prairie is spending a few days at Sunny Slope with her grandparents, Mr. and Mrs. William Brown; they all took an auto ride Sunday afternoon. Miss Rexroat drove the car, and called on Mr. and Mrs. Samuel Dinwiddie.

Mrs. Murray, east of Literberry, was a visitor in Literberry Monday.

FARM BUREAU NOTES

Messrs. C. S. Black, Paul Black, William Miller and H. J. Rucker attended the Corva sale. In this sale Mr. Black purchased a black Percheron mare which will make a valuable addition to the Percheron horses of Morgan county. She is sired by Huchoir and her dam is Suzanne, both of these brilliant line bred and show the breeding which is backing up some of the best Percheron in the country. She is bred to the great Carnot and Mr. Black expects a very valuable foal from her this year. Mr. William Miller also made a purchase, buying Rena, a gray Percheron mare. Also this mare will be taken into Scott county, she is close enough to Morgan county to exert influence over good breeding of Percherons.

The first six months work of the Joy Prairie Shipping association, of which Ed Houston is manager, has shown up some surprising results. The first fourteen cars of livestock which was shipped thru the association, weight, 280,690 pounds, was sold for \$19,218.33. These shipments were made up of 859 hogs and 185 cattle. The following charges go into making the expense of the shipment as follows: Insurance on hogs in transportation \$42.46; a sinking fund for the operation of association \$23.81; managers commission of \$2128.56. This added to the cost of freight, yardage and feed, etc. gives a total cost of \$1602.55. If figured on a basis in weight, the shipping association has placed these cars on the market at a total cost of 58 1-2c per hundred for the shipper.

Another interesting feature concerning these shipments, only one hog died in transportation and this loss was paid to the shipper from the insurance of the association just the same as if he

had delivered to the yards a live hog.

This association is made up of 33 members and is steadily growing in number. Any farmer or shipper of livestock wishing to make use of this association may do so by getting in touch with Ed Houston.

The story as told here about the Joy Prairie Shipping association can be told again with reference to any of the shipping associations operating in the county. Altho there would be some changes in the number of cars and amount shipped but the cost of shipping is made up in about the same proportions of that Joy Prairie and in the marketing of livestock the farmers of Morgan county will soon have a way of placing the hogs on the market which will govern the cost, shipments will be decreased and especially will this be true as freight rates on livestock decrease.

The Helping Class of Hebron church will hold a chicken pie supper and bazar at the church Thursday evening, December 1. Serving begins at 5 o'clock. Supper, 45 cents.

Rheumatism

A Remarkable Home Treatment Given by One Who Had It

In the year of 1893 I was attacked by Muscular and Sub-Acute Rheumatism. I suffered as only those who are thus afflicted know for over three years. I tried remedy after remedy, but such relief as I obtained was only temporary. Finally, I found a treatment that cured me completely and such a pitiful condition has never returned. I have given it to a number who were terribly afflicted, even bedridden, some of them seventy to eighty years old, and the results were the same as in my own case.

"I Had Sharp Pains Like Lightning Flashes Shooting Through My Joints."

I want every sufferer from any form of muscular and sub-acute (swelling at the joints) rheumatism, to try the great value of my improved "Home Treatment" for its remarkable healing power. Don't send a cent; simply mail your name and address, and I will send it free to try. After you have used it, and it has proven itself to be that long-looked for means of getting rid of such forms of rheumatism, you may send the price of it, One Dollar, but understand I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer, when relief is thus offered you free. Don't delay. Write today.

TRADING ACTIVE ON STOCK EXCHANGE

NEW YORK, Nov. 29.—Today's trading on the Stock Exchange was unusually active and broad as evinced by sales of \$50,000 shares and a turnover of about \$25,500,000 par value in bonds. The latter exceeded any total in several months. Bonds were the center of attraction, especially government issues. No less than several record series mounted to highest record for a year or two. Railroad shares again dominated the stock list and oil, coppers, motor specialties and tobacco kept more or less even pace. Sears, Roebuck common and preferred again were under constant depression and several agricultural issues reacted. Aside from rails which held firm the general list eased under liquidation in the final hour, call money's rise to 51 per cent causing selling for short accounts. European war issues did not share in the rise of Liberty bonds but South American issues, especially Chile eights and Brazil eights were strong.

WHEAT UNDERWENT MATERIAL DECLINE

By Associated Press.
CHICAGO, Nov. 29.—Wheat underwent a material decline in price today largely by way of reaction from the recent advance of more than 12c. There was an unsettled close 2 1/2c to 2c net lower with December \$1.11 1/2 to \$1.11 1/4 and May \$1.15 1/2 to \$1.15 1/4.
Corn lost 1 1/2c to 1 1/4c to 1 1/2c, oats finished unchanged to 12c off and provisions down 2 1/2 to 1c.

Many traders in wheat took the position that a setback in values was to be expected as the technical position of the market had been weakened by the big advance of late. With such an opinion current, selling on the part of commission houses became more general and there was considerable liquidation of December holdings. Bearish sentiment acquired further impetus from advices telling of general rain in Argentina and from assertions that Minneapolis millers were seeking No. 1 northern wheat in Canada with bids only 1c from a working basis. Furthermore, rumors of hard winter wheat at Liverpool 8c under cost were announced and it was said Argentine wheat was being offered at \$1.27 1/2 c. l. f. Europe against \$1.31 to \$1.31 1/2 for United States wheat by way of the Gulf of Mexico. No important rally took place, and the finish was at about the lowest level of the day.

Corn was depressed by lack of support and by predictions that colder weather would bring about enlargement of receipts. Oats were better sustained as a result of buying on the part of elevator interests. Provisions averaged lower with hogs.

"MY LITTLE GIRL HAS GAINED 15 POUNDS," SAYS HAPPY MOTHER

Little Rhode Island Girl is As Bright and Cheery and Her Cheeks Are As Rosy As Ever.

SHE CAN NOW KEEP UP IN HER CLASSES

"Only a Mother Can Understand What I Suffered When I Saw My Daughter Slowly Wasting Away," Says Mrs. Mary Smith.

"Every time I look at my little girl's rosy cheeks my heart goes out in praise and gratitude to Tanlac," said Mrs. Mary Smith, of Peacedale, R. I., a suburb of Providence, recently.

"Until Mary was eleven years of age she always enjoyed good health and had a happy, fun-loving disposition. However, during the past three years she became very thin and frail. She took on a very sallow color, her tongue coated over, she complained of a bad taste in her mouth, dull headaches, and of feeling languid and tired all the time. She lost her sunny disposition and became nervous, irritable and moody. Her appetite got so poor that I had to coax her to eat. Her sleep was fitful, her eyes dull, and her steps so heavy that it seemed she hadn't strength to lift her feet from the floor.

"She had always stood high in her studies, but now her reports were so bad that her teacher called on me to find out why she had gone back so in her lessons. When I asked her why she had failed so in her school work she cried and said she studied as hard as ever, but couldn't seem to remember. Only a mother can understand what I suffered when I saw my daughter slowly, but surely, fading away each day. I could hardly keep back the tears when I looked at her.

"Six months ago we took her out of school thinking this might help her, but she continued to grow worse. We were told she would get better when she got older, but I was afraid she couldn't live and have shed many a tear over her condition. In fact, my husband and myself, both, were downright sick from worry over her, and yet, nothing did her any good.

"One day my husband said, 'Why not have Mary try Tanlac?' Each morning I have read in the papers of someone being helped by it and it may be what she needs."

"Well, I had tried everything else, so as a last resort I had Mary try Tanlac and I have felt thankful a thousand times that I did. Before she finished the first bottle she was eating like I have been wanting to see her eat for three years. Now she is the first to the table and the last to leave. She has gained fifteen pounds and is still gaining, and her face is as round and rosy as it ever was. Her eyes sparkle with health, her steps are light, and she is as full of life as a kitten. It does my heart good to hear her running around, singing and laughing and enjoying life and good health again. My gratitude to Tanlac is unbounded."

Tanlac is sold in Jacksonville by J. P. Shreve, Druggist, and by the leading druggists everywhere. —Adv.

OLD AGE, HIS MARK!
Oliver Wendell Holmes, in the charming discourses of "The Professor at the Breakfast Table," refers to an unmistakable sign of old age. It is three parallel lines between the brows. We can detect the first traces of disease by signs just as plain.

When a woman suffers from backache, nervous depression, dragging down pains, and those ailments peculiar to women, it is plain that she needs a woman's medicine. What other medicine could she more wisely resort to than Lydia E. Pinkham's Vegetable Compound, which for half a century has proved the natural restorative for these troubles? —Adv.

OBITUARY

Kent.
Miranda Caroline, daughter of Daniel and Levina Mickey, was born in Crawford county, Illinois, on the 4th day of March, 1865. Died on the 19th day of November, 1921, being 56 years, 8 months and 15 days of age.

She was married to James R. Kent, Jan. 1, 1882. To this union were born eight children, one dying in infancy. Those surviving are the husband, three sons, Everett R. of Jacksonville, Ill.; Earl E. of Muskogee, Okla.; and Pressley O. of West Union, Ill. Four daughters, Mrs. G. L. Riggs of Jacksonville, Ill.; Mrs. R. J. Poorman of West Union, Ill.; Elsie and Dale of Chicago, Ill., and one brother, Newton R. Mickey, of Russellville, Ill.

She united with the Christian church in March, 1889. Always a devoted wife and mother. One whom the fullness of her wonderful love of humanity has lived her entire life in the service of others. Helping all by her wonderful optimism. Whose loving kindness and abundance of self-sacrificing mother love was a beautiful example to all who knew her and to her loved ones and friends she leaves the blessed thought, "Well done thy good and faithful servant."

Funeral services were held from the M. E. church in Murrayville, at 2 o'clock p. m., Nov. 22, 1921. Rev. M. L. Pontius, pastor of the Christian church at Jacksonville, officiating. Music was furnished by Mesdames Arthur King, Austin King, Mildred Wright, Stella Cunningham, Mrs. Nettie Million at the piano. Flowers girls were Misses Edna Henry and Alice Fanning. Pall bearers were Messrs. John Miller, C. E. Edwards, Fletcher Seymour, Harvey Grider, Clinton Strawnatt and Thomas Henry. Interment in Murrayville cemetery.

Among the floral offerings besides the ones given by friends and relatives was a large bouquet by the ladies of Zion and combined neighborhood of Zion community; one from court house associates of County Clerk Riggs and another from the Loyal Men's Bible class of Centenary M. E. church.

EPISCOPAL SERVICES
St. Andrews Day services will be held today at Trinity Episcopal church as follows: Early service, 7:00; Holy Communion, 10:00.

ALTON REDUCES DINING CAR RATES
The Chicago & Alton has made another reduction in the cost of meals on their dining cars. Their Table D'hote dinner service has been reduced from \$1.75 to \$1.50 per meal, maintaining the same quantity, quality and variety of dishes for each course.

In addition to that service, three separate and distinct combinations of plate dinner and luncheon service at a rate of \$1.00, covering three courses, have been added to the regular menu.

The Alton has also inaugurated club breakfast, ranging all the way from 25c to 95c, all set forth on a special club breakfast menu card.

This is the third reduction which the Chicago & Alton people have made in their dining car bills of fare since the railroads were taken over from the government and reflects the reduction in cost of dining car supplies in the way of foods.

PUBLIC SALE
Thursday, Dec. 1, at 1:30 P. M., 1057 South East St. Entire household goods. William and John Lewis.

Y. W. MEETING
The Y. W. C. A. of Illinois College held its regular meeting Monday afternoon, November 28th, in the form of a group meeting, each committee meeting at the home of its advisory member. The committees with their chairman and advisory members are as follows:

Program Committee—Winifred Butcher—Mrs. C. H. Rammelkamp.

Social Service Committee—Ruby Mann, Dr. Isabel Smith.

Membership Committee—Alma Shuman—Mrs. Lacey.

Publicity Committee—Doris Linfoot—Miss McQuiston.

Financial Committee—Frances Strawn—Mrs. J. L. Ogden.

Social Committee—Mabel Rayle—Mrs. Bussey.

World's Fellowship Committee—Elisabeth Cogswell—Mrs. Scott.

The latter committee, however, did not meet Monday evening, but have planned theirs for Wednesday.

The various committees are taking up special club work to be enlarged upon during the year.

BURLINGTON BUYS PASSENGER EQUIPMENT
In anticipation of, and preparatory for, the movement of the tremendous vacation, convention and regular traffic which will move next year, the Burlington route is placing contracts for 127 passenger cars.

Included in the order are 12 dining cars, 5 chair cars, 54

coaches, 12 baggage, 22 mail and 22 miscellaneous cars. All of these cars will be of massive steel construction and embody all of the latest approved devices and comforts known to the modern car builder. Placed end to end, this equipment would make a train almost a mile and one-half long.

The Deaf Ladies Aid will hold a bazar, cafeteria and candy sale at the home of Mrs. Gibson, 302 Woodland Place, Thursday, Dec. 1st, from 2 to 7 o'clock.

ZED BELL'S BIRTHDAY HONORED
A short time since the 50th birthday of Zed Bell, residing five and a half miles northwest of the city arrived and it was duly celebrated with a fine birthday dinner which comprised an ample list of good things prepared in the best manner. Among the guests present there were Mr. and Mrs. Weiries and family; Mr. and Mrs. Thomas Oxley and daughter, Miss Thelma of Pittsfield; Mrs. Masters, Miss Helen Gunnell, Miss Garetta Barnes, Neal and Jack Winsted. A very pleasant time was enjoyed by everyone present.

WILL APPEAR IN RECITAL
Friends of Miss Lucille Bennett will be interested to know that she will appear on the recital program to be given at Academy Hall Thursday evening.

Miss Bennett received her teacher's certificate in expression a year ago and since that time has been doing entertainment work and teaching. Miss Bennett expects to go to Palm Beach, Fla., in January where she will do entertainment work.

BROOKLYN PRAYER MEETING
This meeting is very important. Prayer will be offered for the Community canvass. All chaplains, lieutenants and workers should be there. The subject will be God's resources and promises. Place home of G. E. Beler, 1152 S. Clay avenue. Time, Wednesday, 7:30 p. m.

G. W. Randle, pastor.
